

Letter of Recommendation

To whom it may concern,

I have been working with Wendy Lathem for over 10 years. I have found her to be highly skilled and experienced. She is dependable, task oriented and her work is immaculate. I highly recommend Wendy to anyone whether you are just starting your career in real estate or are a seasoned professional. I am planning on working with Wendy until I retire.

Feel free to reach out to me at 925-487-1270 if you have any additional questions.

Best, Regards,
