

To whom it may concern,

It is with a great deal of confidence I am writing to recommend the services of Wendy Latham and her team at Latham Transaction Coordinating Inc. I have worked with Wendy for several years as the Broker/Owner of my real estate company. She engages in her profession at a high level and is certain to maintain pristine records so, as the one representing my clients, I can feel confident that all files are accurate and complete.

Wendy uses all technology at her disposal to make sure that everything for her clients is easily accessible and stored in case of any future need for access. While there are many options to consider for transaction coordination, I have never strayed from Wendy. We have worked on many deals and files together and I have always felt her work and her price are well worth it. I will certainly continue to utilize her services into the future and see no need to make any changes.

I am happy to recommend the services of Latham Transaction Coordinating. If you have any questions, feel free to contact me directly.

Sincerely,

Michael Reilly
